About GradePage

GradePage, developed by UW-IT, in cooperation with the Office of the Registrar, is an online tool that streamlines online grade submission for all faculty.

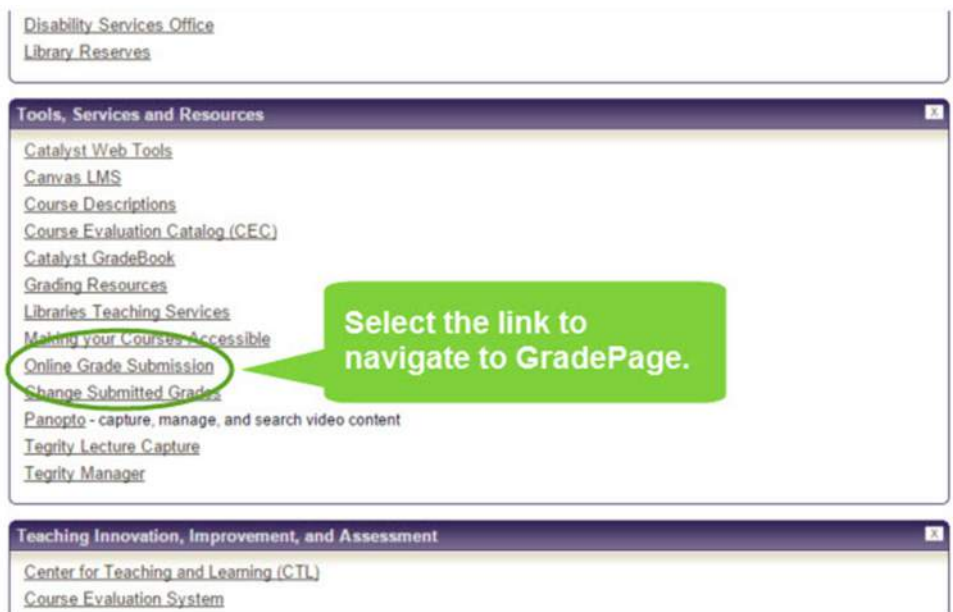

This newly improved grade submission tool simplifies the process of submitting final grades online. You can still use Catalyst GradeBook or Canvas Gradebook to record assignment grades and track student progress if these tools fit your needs, but section grades will be submitted through GradePage. See “Import Grades from Catalyst GradeBook or Canvas Gradebook” in this guide for more information.

Step 1: Access GradePage

If you are listed as an instructor of record for a class section, you can access GradePage via MyUW My Class Resources.

- Navigate to my.uw.edu.
- The Online Grading area displays a notification or a link to GradePage depending on the open and close dates for the current grading period.

If you are not listed as an instructor of record or would like to bookmark the direct link to GradePage, navigate to: <https://gradepage.uw.edu>.

Step 2: Enter Grades

Once you log in to GradePage you are presented with a page displaying the class sections for which you can submit grades. Select a class section.

Select the grade field on the right-hand side of the screen for the student for which you wish to submit grades. Type the grade value into the field, or select the appropriate value from the list.

- Select **"I"** on the left-hand side of the grade field to indicate the grade is incomplete.
- Select **"W"** on the right-hand side of the grade field to indicate if the grade includes a writing credit.

When the **"I"** or **"W"** have been selected, the box around them will appear gray. To remove the **"I"** or **"W"** credit, select again. The boxes should appear clear.

Import Grades from Canvas Gradebook or Catalyst GradeBook

To import grades from another online grading tool, select **“Import from”** on the grading screen in GradePage.

The screenshot shows the GradePage interface for 'Online Grade Submission' by Jane Doe. A yellow banner at the top indicates 'Autumn 2014 grades are due on December 16, 3:00 PM PST.' Below this is a 'Back to Autumn 2014' link. The main section is titled 'Enter grades for TRAIN 102 A SLN 21707'. There is a 'Duplicate code' link and an 'Import from...' button, which is circled in green. Below the button are two student entries: 'Alumnus, Joseph Average' and 'Julius, J J', each with a grade input field and 'I' and 'W' buttons.

Select **“Canvas Gradebook”** or **“Catalyst GradeBook”** to import your grades.

This screenshot shows the same GradePage interface as above, but with the 'Import from...' dropdown menu open. The menu lists three options: 'Import from...', 'Canvas Gradebook', and 'Catalyst GradeBook'. A green callout box points to the dropdown with the text: 'Select from the drop down to import grades from Canvas or GradeBook.' The 'Canvas Gradebook' option is highlighted in blue. The rest of the interface, including the student entries and 'I'/'W' buttons, remains the same.

Note: Grades can no longer be submitted directly through Catalyst GradeBook. To submit grades collected in GradeBook, you can “push” the grades to GradePage from within GradeBook or you can import the grades from within GradePage.

Review Past Online Grade Submissions

View grades submitted for your class sections in the past from the quarter page, by selecting the arrow to the right of the current quarter name. Choose a quarter from the drop down menu. Records in this view display grades you submitted using GradeBook or GradePage for the past four quarters.

The past online submissions history only displays grade values as you submitted them using GradePage, and does not reflect any subsequent changes made to the grade values after your submission. To view a grade submitted via the Grade Change Request form, contact the Graduation and Academic Records Office at ugradoff@uw.edu.

The screenshot shows the top of the GRADEPAGE interface. At the top left is the logo "GRADEPAGE Online Grade Submission" and at the top right is the user name "Jane Doe". A yellow banner below the header contains the text: "Autumn 2014 grades are due on December 16, 3:00 PM PST." Below the banner, the text "Autumn 2014" is displayed with a small blue downward arrow to its right. A green arrow points to this arrow. Below "Autumn 2014" is a horizontal line, and below that is the text "TRAIN 102 A" and "5 grades to submit".

This screenshot is similar to the one above but shows the dropdown menu that appears when the arrow is clicked. The menu lists five options: "Autumn 2014", "Summer 2014", "Spring 2014", "Winter 2014", and "Autumn 2013". The "Summer 2014" option is highlighted with a blue background. A green callout box with a white border points to the dropdown menu and contains the text: "Select a quarter to review grades previously submitted." The rest of the interface, including the header, banner, and class information, is identical to the previous screenshot.

Submit Grade Change Requests

If you discover a mistake for any of the grades you submitted using GradePage, submit an online Grade Change Request using this [form](#). Submissions are reviewed and processed manually by staff in the Graduation and Academic Records Office.
