SEARCHING FOR A T-FIG

Go to http://fyp.washington.edu/figs
Select **T-FIG** from the **Type** category on the left column.

All **T-FIGs** will filter and populate on your screen.
STANDALONE AND THEMED T-FIGs

There exist two T-FIG types: standalone or themed.

**Standalone T-FIGs** are 2-credit classes under the mentorship and instruction of T-FIG Leaders, experienced undergraduates that will facilitate the courses and help to introduce you to resources unique to the UW.

**Themed T-FIGs** are a cluster of classes containing the GEN ST 199 class with one or more classes that complement one another. Currently, one Themed T-FIG exists: **Public Health**.

Shown below is the Public Health Themed T-FIG.
